Laramie County Sheriff's deputies say Dreiman was killed after a shooting in Cheyenne's South side.

Deputies are currently searching for the teenage suspect believed to have shot Dreiman at 1008 Drew Court.

The shooting happened at 6:06pm Saturday evening. Shortly after, LCCC went into a lockdown in order to protect students and visitors during a soccer game. The lockdown continued for almost three hours after sheriff deputies announced that they believed LCCC was "in no imminent danger."

Neighbors we spoke to say they are surprised since it is normally a very quiet neighborhood.

Sheriff deputies said they are unsure if the suspect is armed and will continue their search.
